REISSUE APPLICATION DECLARATION BY THE INVENTOR

P-3914F1P1P2P1R1
Docket Number (Optional)

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 6,053,929, granted 04/25/00, and for which a reissue patent is sought on the invention entitled Surgical Scalpel.

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number _____ / _____
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The invention as claimed was unnecessarily limited. For example, new claims have been added to obviate the requirement that the cartridge include a means for substantially preventing proximal movement of the shield unless the cartridge is mounted to a handle. In addition, certain important aspects of the invention as disclosed in the specification were not claimed. For example, new claims have been added that relate to the configuration of the proximal end of the blade holder and its relationship with the shield.
